Welcome

Dear Parents/Caregivers,

Please find enclosed a breakdown of the Contributions & Charges payable to Tom Price Senior High School for your teenager/s for 2026. Also in the breakdown are the Other Optional Costs that may apply for 2026. The Contributions & Charges and the Other Optional Costs have been approved by the School Board.

As you are aware paying Contributions & Charges plays an important role in extending the resources available to your teen/s and adding value to their learning experiences. This will help in maintaining the high-quality educational programs for the students at Tom Price Senior High School. Payments go towards the costs of materials, texts, facilities and services. Every effort has been made to keep costs as low as possible.

Please note that in Years 11 and 12, students choose to do those courses of study based on their future educational or career requirements. As these are choice subjects, compulsory charges apply. These charges comply with Government and Department of Education policies. Additionally, VET Fee for Service Qualifications have been approved for collection of charges by schools **prior to the commencement of the academic year to confirm student enrolment**. Therefore, payment of all Fee for Service charges detailed on your Contributions and Charges Summary Sheet is **requested prior to Thursday 29th January 2026 to secure enrolment in the qualification**. Where full payment of the charge is not made by this date, the student's enrolment will be withdrawn.

I look forward to as many parents and caregivers as possible, working with us in supporting your young person achieve their goals, by paying the contributions and charges. Some parents/caregivers in our community can access Student Allowance funding of up to \$350.00 to assist them with the payment of Contributions & Charges and the purchase of uniforms. The Secondary Assistance Scheme consists of two allowances, the Educational Program Allowance (EPA) of \$235.00 and Clothing Allowance of \$115.00. Eligible parents/caregivers must claim before the end of Term 1 2026.

Further information is available by contacting the Front Office on 08 9188 3650. If any parents/caregivers have any questions or concerns about any financial matters relating to school, or who wish to organise a payment plan, please contact our Manager Corporate Services on 9188 3650 during school hours or visit the school between 7:30am and 2:30pm.
