

# Tom Price Senior High School

*An Independent Public School*

Dear Parent/Guardian

Tom Price Senior High School will be conducting a 3.5 hour Teen Mental Health First Aid course for Year 10 students this term.

The course is being delivered by Department of Education School Psychologists, specifically trained as teen instructors.

The course will run over three sessions during the first period (8am – 9:15am) on either a Tuesday or Thursday, during Weeks 6, 7 and 8 of this term. Students will be asked to answer a short survey at the completion of this course. These questions will help us to measure learning outcomes and ensure the program is providing answers to questions students have.

This is a fantastic opportunity for students to gain information and skills to assist and support their peers. Students completing the three sessions of the course will receive a certificate of completion which can be added to resume / portfolios.

The course is NOT compulsory and parents/guardians may contact Annette Wilson to discuss the program or withdraw their child.

More information and details are provided on the attached sheet.

Yours sincerely

Ray McMillan  
Principal
